

April 3, 2009

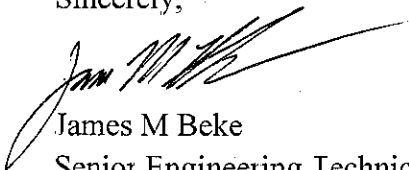

TO: Residents along Kalamazoo Ave from 44th Street to 52nd Street
RE: Construction Schedule

Dear Resident,

As you are most likely aware by now, the 2nd Phase of the Kalamazoo Reconstruction is scheduled to begin very soon. The City has contracted with Kalin Construction to reconstruct Kalamazoo Avenue this year. You will begin to see construction signs going up on April 13th as well as the removal of poles, trees, etc. Your mailboxes shall also be relocated by Kalin Construction under approval from the United States Postal Service into designated areas along the 1 mile stretch. A list of locations will be available on Monday April 6th in the Kentwood Engineering Department, or you may call Dianna Martin at 698-6439 to inquire about your mailbox.

There will be a kick-off meeting with the Kentwood Engineering Department, Kalin Construction and Prein & Newhof Engineering here in our offices located at 4900 Breton Ave SE on Wednesday, April 15th at 9:00 AM. All residents and business owners are welcome to attend. We shall also continue to have bi-monthly progress meetings every other Wednesday at 9Am following this meeting. Should you have any comments or concerns this would be the forum to discuss them with us. Additionally, information updates will be available on the Kentwood Website at: www.ci.kentwood.mi.us/engineer as they become available.

Sincerely,

James M Beke
Senior Engineering Technician
